Born from the shareholder vision, Mee Chiet was developed through extremely diligent R&D and produced using Japanese machines and technology. Our products are high quality, benefit to health, and are authentic Khmer taste. Mee Chiet does not only help improve the standard of living of Cambodian people, but also creates more jobs for them. Mee Chiet, Khmer product, Khmer taste.

Message from Executive Director

Dear Valued Customers and Business Partners,

Warmly welcome to explore Mee Chiet, the Cambodian-owned instant noodle brand with the passionate desire to provide the high quality product with authentic Khmer taste for consumers.

Mee Chiet started out as a dream to create the authentic Khmer food delight. Our dream comes true. We are proud to roll out 3 different instant noodle flavors, Minced Pork, Chicken Soup, and our distinctly flagship flavor, Beef Stew.

We are steadfast in our commitment to satisfy the consumers of our products and our customers and business partners along the supply chain. We will add new flavors to our product portfolio and invest in R&D, management, production and quality assurance to achieve the highest satisfaction from consumers and to make Mee Chiet the most trusted brand in instant noodles.
